The screenshot shows a web browser displaying a blog post on the Blisstree.com website. The page header includes the Blisstree.com logo and navigation links for Home, Featured Blogs, About, Community, and Contests. Below the header is a 'Baking Delights' banner. The main content area features the title 'Dei Fratelli Salsas and Pasta Sauces' by Marye Audet, dated June 22, 2009. A small image shows a jar of Dei Fratelli 'Hot Bean & Onion Salsa' being poured over a dish. Below the image is a paragraph of text: 'Rather than doing a separate review for each I am just going to say that all four of these products are delicious. The corn and black bean salsa was not too spicy, but had a very fresh flavor. In fact, all of the sauces had a good, fresh tomato flavor. They are not overly salty and all of the ingredients are well balanced. I really liked this brand. Give it a try if it is available in your area.' Three more images are shown: a plate of nachos with salsa, a pizza, and a bowl of pasta with sauce. At the bottom left of the screenshot, the text 'images:marye audet' is visible.
