REVIEW: Dei Fratelli Tomato Brand Sauces

I am not a fan of canned spaghetti and pizza sauces. I make my own spaghetti sauce for my Italian Meatloaf, Crock Pot Pizza, and Spaghetti. So, I was a bit skeptical when asked to review these sauces. OH my goodness!! These are great! I have already used 2 of my jars and can't wait to use the 3rd one.

Unfortunately, their prices are much too high for me to add them to my shopping list. For a family of 5, on a teacher's salary, it just isn't feasible. 1/2 a case of the 26 oz jars is 16.99, shipping to me is 15.35 that equals over 5 dollars a jar.

Please check out their website at: <http://www.deifratelli.com/> for lots of recipes and more!

These sauces are so yummy, they beat homemade as far as taste! My favorite is the Tomato Basil - yum!
