

## Good stuff

### One good product

Glory Foods has introduced Sensibly Seasoned, a new line of heat-and-serve vegetables that are lower-sodium, low-fat and meatless. Boasting flavorful seasonings, the 10 new Southern-style products include tomatoes, okra and corn, tomatoes and okra, string beans, mixed greens, collard greens, turnip greens, black-eyed peas, pinto beans, red beans and black beans. They are available at Harper Food Center and Savon Foods Super Store in Detroit, Red Apple Supermarket in Highland Park and Vegas Food Center in Harper Woods. The healthy side dishes will also be on Kroger shelves in April.
